FOR IMMEDIATE RELEASE...April 29, 2008

GEORGIA BURN BAN BEGINS MAY 1ST

Georgia's annual air quality ban on outdoor burning, mostly in the northern half of Georgia, begins on May 1, 2008. The annual restrictions will be in place for 54 counties through September 30.

"The Georgia Environmental Protection Division puts this ban in place to comply with Federal Clean Air Regulations," said Alan Dozier, Chief of Forest Protection for the Georgia Forestry Commission. "Ozone levels increase to unhealthy levels in summer," he said. "Most types of open burning are restricted during the ban in an effort to manage the summertime surge in ozone levels."

The following counties are under the 2008 burn ban: Banks, Barrow, Bartow, Bibb, Butts, Carroll, Catoosa, Chattooga, Cherokee, Clarke, Clayton, Cobb, Columbia, Coweta, Crawford, Dawson, DeKalb, Douglas, Fayette, Floyd, Forsyth, Fulton, Gordon, Gwinnett, Hall, Haralson, Heard, Henry, Houston, Jackson, Jasper, Jones, Lamar, Lumpkin, Madison, Meriwether, Monroe, Morgan, Newton, Oconee, Paulding, Peach, Pickens, Pike, Polk, Putnam, Richmond, Rockdale, Spalding, Troup, Twiggs, Upson, Walker and Walton.

The outdoor burning ban is under the jurisdiction of the Georgia Department of Natural Resources (DNR), Environmental Protection Division (EPD), Air Protection Branch.

The Georgia Forestry Commission operates an on-line burn permit system at 1-877-OK2-BURN. The phone system informs callers by county whether or not they can burn. Residents may also call their county GFC office for more information or visit GaTrees.org.
