

Georgia Pine Sawmills Producing Mechanical Graded Lumber

During a 2012 survey of the primary wood-using industries in Georgia, the following companies reported to GFC personnel that their listed saw mills used mechanical grading systems. Please note that not all mills responded to this question and there may be other Georgia mills that use mechanical grading. Final determination will depend upon individual contact with the mills.

| Sawmill Name | County | Machine Stress Rated Lumber | Machine Evaluated Lumber |
|--|-----------|-----------------------------|--------------------------|
| Beadles Lumber Company | Colquitt | √ | |
| Georgia-Pacific | Floyd | √ | |
| Gilman Building Products Company | Ben Hill | √ | √ |
| Gilman Building Products Company | Pierce | | √ |
| Interfor | Effingham | √ | |
| Interfor | Emanuel | √ | |
| Interfor | Houston | √ | |
| Interfor | Webster | √ | |
| Jordan Forest Products, LLC | Lamar | √ | |
| Langdale Forest Products Company, Inc. | Lowndes | √ | |
| West Fraser, Inc. | Richmond | √ | |

Contact information for each mill can be found in the publication:
