

# Learn & Burns

## What is a Learn & Burn?

- Live prescribed fire
- Small group experience (10-20 landowners)
- Private landowners work with local prescribed fire professionals to develop a burn plan, install fire breaks, hold a drip torch, and burn
- Ability to questions of other private, state, and federal fire practitioners as you burn
- See other private state and federal tools and equipment demonstrated

Would like to attend or host a future Learn & Burn event?
