

Distribution of HWA in 2019

Disclaimer: This map depicts jurisdictions with established HWA populations that are confirmed and reported by respective federal, state and provincial forest health officials. The coarse nature of the map does not provide site specific information and users should not assume that highlighted infested areas are entirely infested. The list of Infested jurisdictions reported by year and past years distribution maps can be found on the HWA website at <http://hiro.ento.vt.edu/hwa/>
