

LANDOWNER FIELD TRIPS

What will you experience on a field trip?

- Live prescribed fire
- Small group experience
- Customized to match your skills & interest
- See a burn similar to your property (longleaf, site prep, thinned loblolly, etc.)
- Meet and ask questions of other private, state, and federal fire practitioners
- Personal tour at your convenience
- See management practices on different properties

How do you sign up?

Participants & Volunteer
Landowners

Would you like to see a live prescribed burn or visit a site that has been burned to see what it looks like afterwards? Then Landowner Field Trip (LFT) is perfect for you. When our agency partners and volunteer landowners are conducting a prescribed burn, we will give you a guided tour of a burn.
