

# Georgia Prescribed Fire Manager Certification

**June 1-2, 2021 • 8:00 am - 5:00 pm**

**Waycross Campus • 1701 Carswell Avenue**

Prescribed fire is defined as fire applied in a knowledgeable manner to forest fuels on a specific land area under selected weather conditions to accomplish predetermined, well-defined management objectives. Georgia Forestry Commission instructors will provide instruction on subjects such as fire behavior, fire weather, air quality, smoke management and fire tactics. Course includes self-study of materials provided by mail prior to the program, a two-day training session and a written state exam. Applicants for certification must pass this exam with a score of 70 or higher, have two years of experience and meet a prerequisite of having been the person in charge of five prescribed burns before becoming a certified prescribed burner in Georgia. 11.5 hours of CFE's will be awarded for those registered foresters needing continuing education credits.
